PROJECT MANAGER CAPITAL PROJECT WORK TASKS: PROCUREMENT TAB

DIRECTIONS:

2

Contracts and Purchase Orders (cont):

The screenshot shows a dark interface with two callouts: '2b' pointing to a 'Status Completed' label and '2d' pointing to a 'Line Item Total' of \$3,506.04.

▼ TIP & TRICKS

PO Status Reference Sheet

PO Status Reference Sheet	

▼ INFORMATION

The **Total Line Item** amount is updated to the **Total Invoice** amount when a PO is closed so that partially paid POs read as fully paid / zero encumbrance.

To view the **Encumbrance balance** on a Capital Project, navigate to the **Budget** tab on the Project Record and locate line f.

PROJECT MANAGER CAPITAL PROJECT WORK TASKS: PROCUREMENT TAB

DIRECTIONS:

- 4 **Billing - Payment Release:** Lists all payments made to vendors who have POs associated with the project. Easily search by date, vendor, PO Number, Invoice Number, Check Number or Check Amount.

Click on the **Check Date** field to open and view the individual PO information.

- 5 **Billing - Work Task Costs:** Lists the specific Work Tasks associated with the project. Drill down into a work task to see individual technician labor charges, material costs, and any associated comments for the work that was performed.

Click on the **Date** field to open the individual Work Task.
